

Worship Report Year Beginning to 10 September 2023

Greetings to all from the worship coordinator, Craig Strydom. Worship at Bryanston Methodist Church has remained steady and consistent. All services have been streamed and maintained a steady schedule from the various streams of worship ministry.

All services were run for the year to date with the 9am and 11am services being streamed. The 11am choir has been able to serve every week and the 7am service has been alternating between live music and music videos.

The service teams for the 7am and 9am services have been running very well every Sunday by completing the checklists and following the safety protocols in place. Occasionally in the 11am service the checklist is not filled in and the protocols are not followed, that has recently been improving.

There have been 2 worship experiences this year, one on the 12th of March and the other on the 16th of July with a total attendance of 93.

Highlights

To date there has been 24 child baptisms and 1 adult baptism.

The 7am service has kept a steady schedule of alternating between live music and music videos attendance has stayed steady to date.

The 11am choir has maintained and provided a good worship experience for the congregation, with the attendance at this service consistently being the highest.

Lowlights

Although the 9am worship team has seen some growth in terms of vocalists, we have been short of musicians for the 9am services and have only had one instrument for the services on multiple occasions.
