Youth & Young Adults
2023 ASM Report

Friday Night Youth

- Our Friday Night Youth kicked off in the 3rd quarter.
- Attendance has been averaging between 5-12 weekly.
- Each Friday includes games, fellowship over a meal, and discussions on different topics.

Highlights:

- Movie Outing in April
- Spring Dance with Children's Ministry
- Total Ninja Outing

Sunday Teen Church

- Teen Church runs every Sunday during the public-school terms. The online lessons are uploaded on the BMC YouTube channel all year round, including during school holidays. The link is sent out on the BMC broadcast groups and the Youth WhatsApp group.
- Our lessons are on the same themes as the church.
- Our attendance averages at 20-35 each week for both 9am and 11am services combined.
- During quarter 1 & 2, Jenny recorded the online lessons for the teens as a Youth Pastor had not yet been appointed. Some of the youth leaders led the in-person teen church on Sundays in the absence of a Youth Pastor.

Highlights:

- The spiritual growth of the youth and their engagement on Sundays.

Confirmation

- We confirmed 10 young people this year into the church on Sunday 17 September.
- The classes were running online on Zoom each Sunday.
- It has been an amazing journey for these young people, and we pray that their continued journeys may be fruitful as they commit themselves to God and His Church.

Highlights:

- Confirmation Camp @Magalies Retreat
- Confirmation Service

Other

- Many of the youth were leaders at the BMC Holiday Club in June.

Young Adults

- The Y.A. Ministry has been slower than expected.
