On-trial update

On the 23rd of July 2024, our On-trial members were presented at the leaders' meeting. The leaders attested that the members had been regularly attending classes and actively participating in church activities. Following this, the meeting agreed that the names presented could proceed to the society screening. Subsequently, on the 7th of August 2024, during our Q2 general meeting, the society conducted a screening service, and the general membership confirmed that all members were ready to proceed to the circuit screening.

On-trial update continued

On the 17th of August 2024, our On-trial members were screened by the circuit. The general meeting agreed that all members were ready to be robed, with the robing service set for the 1st of September 2024.

Wednesday Services

We continue to fellowship together every Wednesday at Next Gen and virtually. We are grateful for the participation of guilders in these services, and we are pleased to note that attendance for Wesley Guild Wednesdays has moderately improved. We remain hopeful that this growth will continue as we strengthen our fellowship

This event was well-supported by Guilders and served as a meaningful occasion, further strengthening our sense of community and unity.

Love Sandwiches

As a movement we led a successful sandwich drive (Community Development) which contributed to the efforts to our church in trying address the issue of hunger.

We are grateful for the contributions and hands that had prepared the sandwiches.
