

Report of the Bryanston Methodist Church("BMC") Local Preachers

November 2025

Membership

- The BMC local preachers comprise of all preachers being members of the Local Preachers Department ("LPD") with some of these preachers affiliating with the Local Preachers Association ("LPA"), the latter being a voluntary organisation to which LPD members.
- The BMC local preachers are currently under the guidance of Reverend Zamani Sikupela.
- The diversity in the membership allows preachers to all BMC services as well as other churches and preaching places within the Fourways Circuit.
- The BMC local preachers comprise of all preachers being members of the Local Preachers Department ("LPD") with some of these preachers affiliating with the Local Preachers Association ("LPA"), the latter being a voluntary organisation to which LPD members.
- Formation of preachers continues to happen in various forms, including attending various workshops and attending Circuit Local Preachers Quarterly Meeting.

- As reflected above BMC has a total of 30preachers, this number having grown from the prior year.
- On-trial preachers continue to embark on their studies as well as being given opportunities to preach. In addition to this, support is given to this group of preachers in the form of a mentorship system that sees them being mentored by fully-robed and more experienced preachers.
- One member was accepted as on-note at the last LPD Quarterly meeting.

Conclusion

- With the calling upon local preachers being an important part of the growth of the work done, the BMC local preachers continue to avail themselves in serving God and preaching the Word of God to various places in the Fourways Circuit. It is worth noting that several BMC local preachers have been the opportunity to preach at various societies and preaching places in the Fourways Circuit.
- God continues to call preachers to serve in His vineyard and preachers continue to serve God in various ways..
