# Overview

The quarter 3 period has been marked by steady growth and renewed energy within the Bryanston Wesley Guild. We are encouraged by the commitment of our members and the way God continues to add to our number. During this time, we welcomed new guilders who joined us from other districts and circuits, enriching our fellowship with fresh perspectives and enthusiasm.

A major highlight of this period was the robing of 18 on-trials into full membership. This was a significant moment in the life of our Guild, celebrating the spiritual growth and commitment of these guilders as they stepped fully into the journey of discipleship and service.

There is a visible spark within the Guild, a growing desire among members to be actively involved and present in all activities. This spirit of excitement and dedication has shaped our gatherings, strengthened our sense of community, and affirmed the role of the Wesley Guild as a vibrant space for young people to grow spiritually, socially, and in service.

# Membership

# Robing

On the 7th of September 2025, the Bryanston Methodist Church Wesley Guild rejoiced as 18 of our on-trial members were robed into full membership at circuit level. These guilders, who had faithfully served and grown within our society, underwent the required screening both at society and circuit level, affirming their readiness to take up full membership. Their robing was a powerful testimony of commitment, growth, and the vibrancy of the Guild, marking a significant milestone not only in their individual journeys but also in the life of our Guild

# Wesley Guild Services

During this period, the Wesley Guild Wednesday services continued to be a source of fellowship, worship, and growth. We are encouraged by the consistent attendance of guilders and the renewed commitment shown in leading and participating. Unlike in previous months, we did not face the challenge of scheduled leaders failing to show up, which reflects the growing sense of responsibility and dedication among our members. Guilders continued to show up faithfully, contributing to the life and vibrancy of our weekly services.

Events

# Mental Health Day Picnic

- The Mental Health Day Picnic was a well-attended and impactful full-day gathering that created a safe and supportive space for guilders. Together, we explored different mental health experiences, openly sharing our feelings and thoughts in a spirit of honesty and care. The program included meaningful activities such as making bracelets for one another with words of affirmation, as well as quiet moments of self-reflection that allowed guilders to connect with themselves. It was a beautiful day of fellowship, healing, and encouragement, which received overwhelmingly positive feedback from all who attended

## #SheLeadYouthRise Round Table Panel Discussion

- On the 10th of September 2025, in celebration of Women's Month, the Bryanston Wesley Guild hosted the **#SheLeadYouthRise Round Table Panel Discussion** under the theme *"Truth or Speech: The Dilemma of Truth in Leadership."* Inspired by Ecclesiastes 3:7 — *"a time to be silent and a time to speak"* — the panel explored the challenges and responsibilities of speaking up, particularly in spaces where integrity is tested.

The discussion created a safe and thought-provoking space where panelists reflected on the balance between wisdom and courage in leadership, highlighting how maintaining integrity often comes at a cost, yet remains essential. The conversation further emphasized the empowerment of women and young people, encouraging guilders to embrace their voices, live with authenticity, and contribute meaningfully to both church and society.

The event was well attended, with vibrant participation from guilders and the broader church community. It was not only a celebration of Women's Month but also a powerful reminder of the Wesley Guild's role in nurturing leadership, fostering integrity, and equipping young people to rise with courage and conviction.

# Conclusion

- The Bryanston Methodist Church Wesley Guild has experienced a fruitful and encouraging period, marked by growth, engagement, and a renewed spirit among our guilders. Guided by our 2025 theme, “*Fostering Hope and Resilience While Becoming an Alternative Community*,” we trust that God will continue to carry us as we move toward the end of the year, sustaining our fellowship, commitment, and service.
